

Paper Boat Float

Goal: Build a boat out of paper that floats and holds as much weight without sinking

Tip: Paper will sink if it's wet so think about how to keep it dry.

Supplies:

1. Paper - 4 sheets of paper per person or group
2. Masking tape - 1 meter per person or group
3. Duct tape - .5 meters per person or group
4. Straws - 10 per person or group
5. Tub, bucket, or sink full of water
