- 1. _____

- 2. _____

- 3. _____

5. Compare and Contrast

- In this section, you'll compare how your idea could be developed compared to the way the idea in the *From an Idea to...* book was developed. Answer the following questions:
 - What similarities do you see in how both ideas are developed? (Use at least two examples)

- What is different about the way your idea would be developed compared to the one in the book?

6. Drawing or Visual Representation

- Draw a picture of the final product of your idea. It could be a drawing of your book cover, invention, toy, or whatever you imagined creating in the last section. Try to make it look like the product is ready to be shared with others.
(Draw your picture here)

7. Reflection

- What did you learn from reading the *From an Idea to...* book? How do you feel about creating your own ideas now?
