

FROM AN IDEA TO ... *LEGO*

BOOK EXTENSION IDEAS

1. Write a letter to LEGO with an idea for an innovation.
2. Create a LEGO set representing LEGO's story.
3. Conduct your own LEGO Masters competition where students create something representing social studies concepts.
4. Use ten LEGO pieces to construct an original piece. Write step-by-step instructions someone could use to replicate your design. Include photos or illustrations if you want.
5. Create the next LEGO set. Upload your creation to LEGO Ideas.
